

GENERAL INSTRUCTIONS

For the 2022 CCIL proficiency testing program, all test results **MUST** be reported through your CCIL lab portal at <https://portal.ccil.com/>. After signing into the portal, all reporting forms appropriate to your lab certification will be accessible. You will be able to enter your test results into the forms and submit to CCIL through the portal. CCIL's instructions for testing will also be available within the portal, for your convenience.

All certified asphalt and aggregate laboratories will be notified by email when the electronic reporting forms are delivered into your portal.

Completed forms submitted by email or fax **CANNOT** be utilized and will **NOT** be accepted.

Important Change for 2022: Your lab's worksheets must be submitted through the portal with your proficiency report. Please combine all worksheets for each portal report into a single pdf prior to uploading. You are required to keep all original worksheet hard copies in a secure dedicated location such as a sealed envelope that is available to CCIL upon request. Do not courier/mail/fax/e-mail the worksheets to CCIL.

All Engineering Managers must complete and submit the online Lab Questionnaire in the CCIL lab portal by January 8 2022. The Engineering Manager (P.Eng or Equivalent) is the person charged with Engineering Management Responsibility for the Laboratory Operations.
